## FINANCIAL POLICY

Dear Patient,

Welcome to our Dental Office. We thank you for choosing us to help you take care of your dental needs. In order to provide efficient and personalized service, our office follows the following financial policy.

Our office honors cash, personal checks, Visa, MasterCard, American Express and Discover. There is a \$40.00 service charge for all returned checks.

We are glad to process insurance claims for you. But it is your responsibility to know your insurance coverage. We will always recommend what we think is in your best interests for your dental needs. In the event your insurance company deems that a non-covered service is performed it will be necessary to bill you directly. We are glad to do any pre-treatment estimates with your insurance company to help you in advance of dental services.

An **estimate** is given for all proposed treatment. You are expected to pay the fee at the time of service. All financial arrangements need to be made prior to the date of service.

Any balance due over sixty days, from the date of service, either the patients' share or insurance, will accrue a finance charge. After ninety days, the bill is the patients' full responsibility. We also reserve the right to have you bill your insurance company under certain circumstances.

I \_\_\_\_\_ have read and understand the office policy stated above and agree to accept the responsibility described above.
